

# KNOCK-OUT™

ANTI-FOAM AGENT / DEFOAMER

## FOR AGRICULTURAL USE

Knock-Out™ efficiently prevents foam formation and will also eliminate previously developed foam.

- Concentrated
- Compatible with most agricultural chemicals
- Controls both entrained and surface foam
- Highly recommended for use with high-foaming chemicals such as glyphosate
- Effective in recirculating sprayers and high agitation equipment

## DANGER

Toxic if swallowed or inhaled. May be absorbed through skin. Causes serious eye irritation.

See additional precautions and response/first aid on the back of bottle.

### ACTIVE INGREDIENTS

Polydimethylsiloxane . . . . . 10%  
Inert Ingredients . . . . . 90%

### APPLICATION & RECOMMENDED USAGE RATES

Prior to the addition of Knock-Out™ to a tank mix, **SHAKE WELL**. Add to the spray tank as soon as possible during the filling process. To control foam in a chemical mix *before* it foams, use one ounce of Knock-Out per 100 gallons of solution. If foam is *present*, up to two ounces of Knock-Out per 100 gallons of solution may be required. With backpack and *hand-held* sprays, use 0.3 to 0.6 milliliter (cc) per gallon of solution. **Note:** Knock-Out rates may vary with tank size, type of agitation, chemical used and type of water. **Environmental Hazards:** DO NOT contaminate lakes, streams, or ponds with this product. Dike, contain, and keep spillage out of sewer and open bodies of water.

### STORAGE & DISPOSAL

DO NOT contaminate water, food, or feed by storage and disposal

<b>Storage</b>	Store in original container only, separate from fertilizers, pesticides, feeds, and food.
<b>Pesticide Disposal</b>	Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product in pesticide spray mixtures may be disposed of on-site or at an approved waste disposal facility.
<b>Container Disposal</b>	DO NOT reuse empty containers. Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

**Precautions:** Avoid breathing mist, vapors and spray. Use only outdoors or in a well ventilated area. Do not eat, drink or smoke when using this product. Wear gloves, safety glasses or goggles, and long-sleeved clothing when handling. Wash hands thoroughly after handling.

**Response/First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If swallowed: Immediately call a physician or Poison Control Center. Rinse Mouth. If on skin: Wash with plenty of soap and water. Immediately take off all contaminated clothing and wash it before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a physician or Poison Control Center.

Causes damage to Liver and Reproductive System through prolonged or repeated exposure.

### KEEP FROM FREEZING
