

# WEX<sup>®</sup>

## MULTIPURPOSE NONIONIC WETTING AGENT

### Wex<sup>®</sup> with crop chemicals

- Makes water wetter
- Promotes uniform spreading
- Causes greater saturation
- Reduces foaming of ag chemicals
- Aids herbicidal weed control
- Enhances insecticide effectiveness
- Speeds moisture penetration
- Assists in suspension of wettable powders

#### Personal Protective Equipment — Applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Shoes plus socks
- Waterproof gloves

Follow the manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

#### User Safety Recommendations

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing if this product gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

## WARNING

**Harmful if swallowed or inhaled. Causes eye and skin irritation.**

See back panel for additional precautionary statements.

#### Principal Functioning Agents:

Alcohol Ethoxylates, Propylene Glycol, Dimethylpolysiloxane. 35%

#### Constituents Ineffective as Spray Adjuvants:

Water, Others . . . . . 65%

**Directions for use:** It is a violation of federal law to use WEX with a pesticide in a manner inconsistent with pesticide labeling. DO NOT apply WEX with pesticides in such a manner as to directly or through drift expose workers or others persons. The area being treated with the WEX/pesticide solution must be vacated by unprotected persons.

### Net Weight:

**21 Pounds (9.5 kg)**

**2.5 Gallons (9.5 L)**

# WEX<sup>®</sup> Multipurpose Nonionic Wetting Agent

## AGRICULTURAL USE REQUIREMENTS

Use this product with pesticides only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements in this labeling about personal protective equipment (PPE) and restricted-entry interval. The requirements in this box only apply to uses of this product with pesticides that are covered by the Worker Protection Standard.

DO NOT enter or allow worker entry into treated areas during the restricted entry interval (REI) minimum of four hours. See pesticide label for specific REI time.

PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water is:

- Coveralls
- Waterproof gloves
- Shoes plus socks

## MIXING INSTRUCTIONS:

### WEX<sup>®</sup> as a wetting agent –

With herbicides – pre-plant, pre-emerge,  
general post-emerge . . . . . 1 to 2 pints WEX/100 gallons  
Burndown pre-plant/pre-emerge . . . . . 1 to 2 pints WEX/acre  
With Atrazine . . . . . 3 to 4 pints WEX/100 gallons  
With 2,4-D and other  
phenoxy acids . . . . . 10 fluid ounces WEX/100 gallons

### WEX with other crop chemicals –

Desiccants, defoliants, fungicides, insecticides,  
foliar-applied fertilizers . . . . . 10 fluid ounces WEX/100 gallons

Add the proper application amount of WEX to the tank when approximately one-half full of water or liquid fertilizer,\* and mix thoroughly prior to the addition of the pesticide. When mixing wettable powders, the suspension of the pesticide should be prepared prior to the addition of WEX. Consult the label of each pesticide for further specific mixing and application instructions.

*Predilution of WEX in water may be necessary when mixing with N-P-K fertilizers.*

\*Kombind<sup>®</sup>, Conklin's compatibility agent, is recommended with liquid fertilizer/pesticide combinations.

**Environmental Hazards:** DO NOT discharge effluent containing this product into lakes, streams, ponds or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit, and the permitting authority has been notified in writing prior to discharge. Keep spillage out of sewer systems and open bodies of water. Dike and contain spills with inert materials. For guidance, contact your State Water Board or Regional Office of the EPA.

## STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage and disposal

<b>Storage</b>	Store in original container only, separate from fertilizers, pesticides, feeds and food. AVOID creasing or impacting of side walls. DO NOT freeze.
<b>Disposal</b>	Waste resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility. If needed, contact your State Pesticide or Environmental Control Agency or nearest EPA Regional Office.
<b>Container Disposal</b>	DO NOT reuse or refill empty containers. Triple rinse (or equivalent) empty container, then offer for recycling or reconditioning; or, puncture and dispose of in a sanitary landfill, or by incineration; or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

## HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS.

**Precautions:** Avoid breathing mist, vapors and spray. Use only outdoors or in a well ventilated area. Do not eat, drink or smoke when using this product. Wear gloves, safety glasses or goggles, and long-sleeved clothing when handling. Wash hands thoroughly after handling.

**Response/First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention. If swallowed: Call a physician or Poison Control Center if you feel unwell. Rinse Mouth. If on skin: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice or attention. Immediately take off all contaminated clothing and wash it before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a physician or Poison Control Center. For US Health Hazard Information, call 1-888-786-0974.

**Limited Guarantee:** Conklin Company, Inc. warrants that this product conforms to label description. Except as expressly warranted in the preceding sentence: **DISCLAIMER OF WARRANTY: THIS LIMITED GUARANTEE IS IN LIEU OF THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES EXPRESS OR IMPLIED, ALL OF WHICH ARE DISCLAIMED.**

Container consists of 25% post-consumer resin.  
US Patent No. 4,227,911
