Making Homes Shine Since 1969

Once you try Conklin’s cleaning products, you’ll understand why they inspire such loyalty. Professional cleaners swear by the fast-acting formulas that erase all kinds of dirt, grease, and grime from almost any surface.

They won’t use anything else – and neither will you.

Professional strength for professional performance

Mox® cleans circles around other multipurpose cleaners. Sanox II® will go toe-to-toe with any hospital-strength disinfectant. Reflections™ Plus makes glass and windows shine. And these are just a few of our customer favorites that clean fast, clean deep, and leave every surface glowing.

Concentrated for significant savings

After more than 50 years, Conklin’s cleaners are still an economical choice. Our most popular products are concentrated, so you’re buying pure cleaning power – not gallons of water. That’s green for the planet AND your budget.

"My wife was apprehensive when I told her about Wash laundry detergent. She challenged me with a pair of pants that she tried to get a musty smell out of for some time. That was a year ago. Today, she still loves the Wash product and its fresh, non-overbearing scent. I love the price, because I like saving money any place I can."

- Mike S., Pennsylvania

pre Wash™

Laundry Prespotter Spray

Removes stains without bleach or petroleum solvents.

- Fast-acting stain removal
- Safe for all colorfast fabrics
- Natural orange oil formula
- Treat stains up to a week before washing

pre Wash

#040582 6 - 32-oz/quart spray bottle (case)

"pre Wash is an amazing product! My son had a nosebleed through the night one time and no one saw it until the next morning. Two applications with pre Wash and one time in the washing machine with Wash and it all came out just fine."

- Mary Ann L., Indiana
