

Specification Sheet

Luboil®

All-purpose Lubricant

Benefits

- Multi-purpose lubricant
- Clings to fast moving parts and equipment
- Resists extreme temperatures and pressure
- Penetrates and prevents rust

Description

Conklin's Luboil is an excellent all-purpose lubricant for industrial, farm, and household use. Specially formulated to provide the needed lubrication for fast moving parts, such as chains, sprockets, and exposed gears, Luboil provides long lasting lubrication protection. Use Luboil to clean away grime, reduce friction and wear, and help prevent rust. Its exclusive formula penetrates deep into cracks and seams to remove crusted dirt and grime and provide lubrication.

Applications & Directions

Conklin's Luboil is a multi-purpose lubricant that may be used anywhere a penetrating lubricant is needed. Its ability to cling to fast moving parts makes it ideal for chains, sprockets, etc. It can also be used for general applications around the house, farm, or business.
