

Specification Sheet

Brake N' Parts Cleaner

Brake Parts Cleaner

Benefits

Non-chlorinated professional formula in a handy size

- Cleans Fast
- Dries Fast
- Leaves No Residue
- Fortified with non-chlorinated solvents

Description

Conklin's Brake N' Parts Cleaner is a non-chlorinated professional formula that quickly removes dirt, grease, brake dust, brake fluid, oils and other contaminants from brake parts – leaving no residue.

Applications

Cleans and degreases: CV Joints, linings, cylinders, drums, clutches, springs, disk brake and other brake parts.

Directions – Read entire label before use

- 1 – Protect any rubber, plastic, and painted surfaces from product and overspray
- 2 – Spray area to be cleaned with short burst 18" - 24" from surface to be cleaned
- 3 – Repeat application as necessary to clean away heavy deposits and contaminants
- 4 – Air dry or wipe clean with clean cloth
- 5 – Avoid breathing airborne dust and vapor (See precautionary inhalation warning)
- 6 – Runoff should be collected and disposed of properly
