LAUNDRY PRODUCTS

“Conklin’s laundry products are fantastic! The pre Wash Laundry Prespotter Spray takes out even the most difficult stains. Wash Ultra Fresh Laundry Detergent cleans even in cold water. The concentrated formulas save me money, too.”

~Nancy G., Kansas

WAUSH® ULTRA FRESH & WAUSH® HYPOALLERGENIC LAUNDRY DETERGENT

Our laundry detergents have superior cleaning power, even in cold water, saving energy and lowering your heating bill. Wash Hypoallergenic contains no dyes or perfumes for those with sensitive skin. It can be used in all standard and high-efficiency washing machines.

PRE WAUSH™

Prespotter spray removes laundry stains with d-Limonene, a worry-free product that allows you to treat stains up to a week before washing. Simply spray on to treat stains on colorfast fabrics. Tackles grease, oil, grape juice, lipstick and most inks without using bleach or harsh solvents.

Purchase the above products in a convenient pack with a 64 oz. pump and a Cleaning Products Guide.

Laundry Pack #009333 (only Wash Ultra Fresh available in this pack).

CLASSIC CLEANERS

"I have used the Conklin Classic Cleaners for more than 30 years in my home and commercial cleaning business. Besides saving time and money, I have made a career out of providing customers with outstanding results using Conklin Cleaners."

~Claris G., Indiana

MOX® MULTIPURPOSE CLEANER

Mox, a concentrated cleaner, replaces multiple cleaners and handles your toughest cleaning jobs, from greasy kitchen appliances to grimy bathroom surfaces. This biodegradable formula works extremely well without harsh bleaches or solvents.

SPRING DEW® MULTIPURPOSE DISH SOAP

The biodegradable formula found in Spring Dew cuts through grease and replaces all other dish soaps, floor cleaners and detergents for fine washables. You can also use this gentle formula to bathe your pets.

REFLECTIONS™ PLUS MULTIPURPOSE GLASS CLEANER

This ammonia-free formula offers you superior cleaning with anti-fog, streak-free properties. It is powerful enough to cut through dirt and film on windows, mirrors, stovetops, refrigerators and countertops.

Purchase the above products in a convenient pack with the empty spray bottle, dispenser and a Cleaning Products Guide. **Classic Cleaner Pack #009327.**

HEAVY-DUTY CLEANERS

"Using Conklin's Heavy-Duty Cleaners has tremendously reduced the amount of time and elbow grease it takes to keep our home clean. I was so confident in the superior results of Conklin cleaners, I started my own residential and commercial cleaning business. All the cleaners do a great job, Crust Buster Lime & Scale, Sanox II and the Multi-Surface Gel are just three of the all-star products that help take the work out of cleaning." ~Ruth S., Indiana

SANOX II® DISINFECTANT CLEANER

The hospital strength formula found in Sanox II disinfects hard, non-porous surfaces in bathrooms, kitchens and laundries, and kills illness-causing germs and bacteria. Sanox II sanitizes garbage cans, fights mold, mildew and fungus in damp or humid areas and sanitizes litter boxes, kennels and diaper pails.

MULTI-SURFACE CLEANING GEL™

This non-abrasive gel formula cleans and shines stainless steel, chrome, aluminum, brass, metal cookware and copper bottom pans. Powers away rust and mineral deposits on fiberglass, porcelain and ceramic surfaces, concrete and stone floors.

CRUST BUSTER® LIME & SCALE REMOVER

Dissolves heavy mineral deposits on bathtubs, sinks and more!

This concentrated formula is the powerhouse of the Crust Buster family, and is formulated to wipe away your most difficult hard water deposits and mineral buildup. Lime & Scale Remover is a heavy-duty, industrial-strength cleaner, yet it is safe for fiberglass, porcelain, acrylic and ceramic surfaces.

Purchase the above products in a convenient pack with the empty spray bottle and a Cleaning Products Guide. **Heavy-Duty Cleaner Pack #009315.**
