

Performance for the Long Haul

with Heavy Duty Lubricants

When you're in the driver's seat, you know how important it is to keep your truck running smoothly and performing at its peak potential. That's why you need quality products you can count on day after day, mile after mile. Conklin's vehicle products are designed to meet the special needs of over-the-road vehicles. From coast to coast, Conklin vehicle products are keeping you out of the shop and improving your bottom line.

Rhino®

Parasynthetic #2 Grease with Moly

Rhino provides high-performance protection for almost any grease application. Even under high temperatures, Rhino lives up to your demands. And because it contains moly, Rhino helps guard against damage from shock loading and heavy loads. Use on bearings, chassis, even fifth wheel plates.

- Superior high temperature performance
- Highly resistant to water washout
- Good low temperature pump ability

Rhino #2 Grease
 #47480 10 Tubes/cs.
 #47472 40 Tubes/cs.

Gold Guard Plus®

75W-90 Full Synthetic Gear Lubricant

Gold Guard Plus is a full synthetic, extreme-pressure gear lubricant formulated to exceed the demands of light and heavy-duty usage. It protects gears from a variety of surface stressors including abrasion, corrosion, fatigue and adhesive wear while offering superior seal protection and compatibility. By combining synthetic base oil with premium Poly Alpha Olefin (PAO) synthetic oil, this unique formulation:

- Minimizes NVH (Noise – Vibration – Harshness)
- Offers strong shear stability
- Provides superior copper corrosion protection
- Improves efficiency

Gold Guard Plus 75W-90
 #38000 12 quarts/cs.
 #38018 5 gallons (in two 2 ½ gallon cont.)
 #38034 55 gallons

Convoy® 15W-40 CI-4 Plus and 15W-40 CJ-4

Parasynthetic Heavy-Duty Motor Oil with Moly

Protect your investment, improve fuel economy and extend oil drain intervals. Convoy's advanced formula is specifically formulated for your heavy-duty diesel engine. Whether you're hauling over-the-road or around town, you can count on the improved performance, cost savings and vehicle longevity you'll get with Convoy motor oil. (Conklin strongly recommends a used oil analysis when extending oil drains.)

- Reduces friction – improves efficiency
- Excellent for use in low emission and older engines
- Excellent soot control and acid neutralization
- Superior thermal and oxidation stability

15W-40 CI-4 Plus
 #34033 5 Gallon/Twin Pack
 #34058 55 Gallon

15W-40 CJ-4
 #41290 5 Gallon/Twin Pack
 #41294 55 Gallon
