

## Clearly the Liquid Leader

Quality is the foundation on which Conklin's AgroVantage™ products are developed and manufactured. While quality comes with a price, crop producers gain improved crop performance and greater return on investment. This is especially evident in the Conklin Feast™ fertilizers. Even when raw material prices reached unprecedented price levels, Conklin never wavered from its superior standards. Conklin utilizes only high quality raw materials, including food grade phosphoric acid resulting in products that lead the industry in purity and performance.

The following independent, third party testing by Midwest Labs in Omaha, NE shows the quality and control that Conklin puts into every drop of fertilizer.

Fertilizer Brand ANALYSIS	Nutra-Flo <sup>®</sup> 9-18-9	FEAST <sup>®</sup> 9-18-9	Nutra-Flo <sup>®</sup> 6-24-6	Nutra-Flo <sup>®</sup> 3-18-18	NACHURS <sup>®</sup> 3-18-18	FEAST <sup>®</sup> 3-18-18	KRUGNESS 10-34-0	ProGerminator 9-24-3
Orthophosphate	100%*	100%*	n.d.	100%*	100%*	100%*	20%*	50%*
Mercury (ppm)	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.
Zinc (ppm)	26.8	2.1	173	404	9.0	1.2	1587	801
Iron (ppm)	n.t.	n.t.	3,800	n.t.	n.t.	n.d.	2,600	3,150
Lead (ppm)	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.
Nickel (ppm)	n.d.	n.d.	2.1	1.0	1.1	n.d.	n.d.	n.d.
Molybdenum (ppm)	n.d.	n.d.	7.5	3.8	n.d.	1.0	5.7	5.1
Cobalt (ppm)	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.
Cadmium (ppm)	.79	n.d.	12.4	4.59	n.d.	n.d.	24.3	13.8
Arsenic (ppm)	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.	n.d.
Salt Index	69	41	48	36	41	34	58	52
Sample Date	4-21-09	4-21-09	7-30-10	8-14-09	6-11-08	6-11-08	6-11-08	12-29-09

\*Assumption based upon history and experience for Feast, Nutra-Flo, Nachurs and 10-34-0. ProGerminator based on independent lab test.

KEY: n.d. = Not Detected ppm = Parts Per Million n.t. = Not Tested

As you can see, Conklin quality is more than a statement or a catch phrase. While competitors may offer a similar product or analysis, the chart shows that they don't match Conklin's precise standards you have come to rely upon, without unwanted contaminants.
