

ATF-XTRA MS™ Synthetic Multi-Spec Transmission Fluid

Easy decision. Premium protection.

ATF-XTRA MS is a premium, full synthetic automatic transmission fluid that makes it easy for you to select one fluid that meets multiple specifications.* The unique formulation combines synthetic base oil, premium PAO (poly alpha olefin) synthetic oil, and a new technologically advanced additive package. This gives ATF-XTRA MS unparalleled anti-shudder and wear protection, as proven in extensive testing. It also increases torque capacity while offering excellent oxidation, sludge, and deposit control.

Using ATF-XTRA MS also:

- Improves efficiency
- Protects against wear and corrosion
- Extends the life of clutches, valves, seals, and pumps
- Enhances high temperature shear stability and protection
- Provides outstanding cold weather performance
- Ensures smooth shifting and power transfer
- Lowers operating temperatures

Exceptional convenience and quality

ATF-XTRA MS™ Synthetic Multi-Spec Transmission Fluid

12 Quarts/cs.	#057433
5 Gallon (in two 2.5 Gallon Containers)	#057442
55 Gallons	#057455
