

4-POWER[®] G & 4-POWER[®] D

Fuel System Cleaners

- Aggressively dissolves varnish, gum and deposits through the entire fuel system while dispersing water

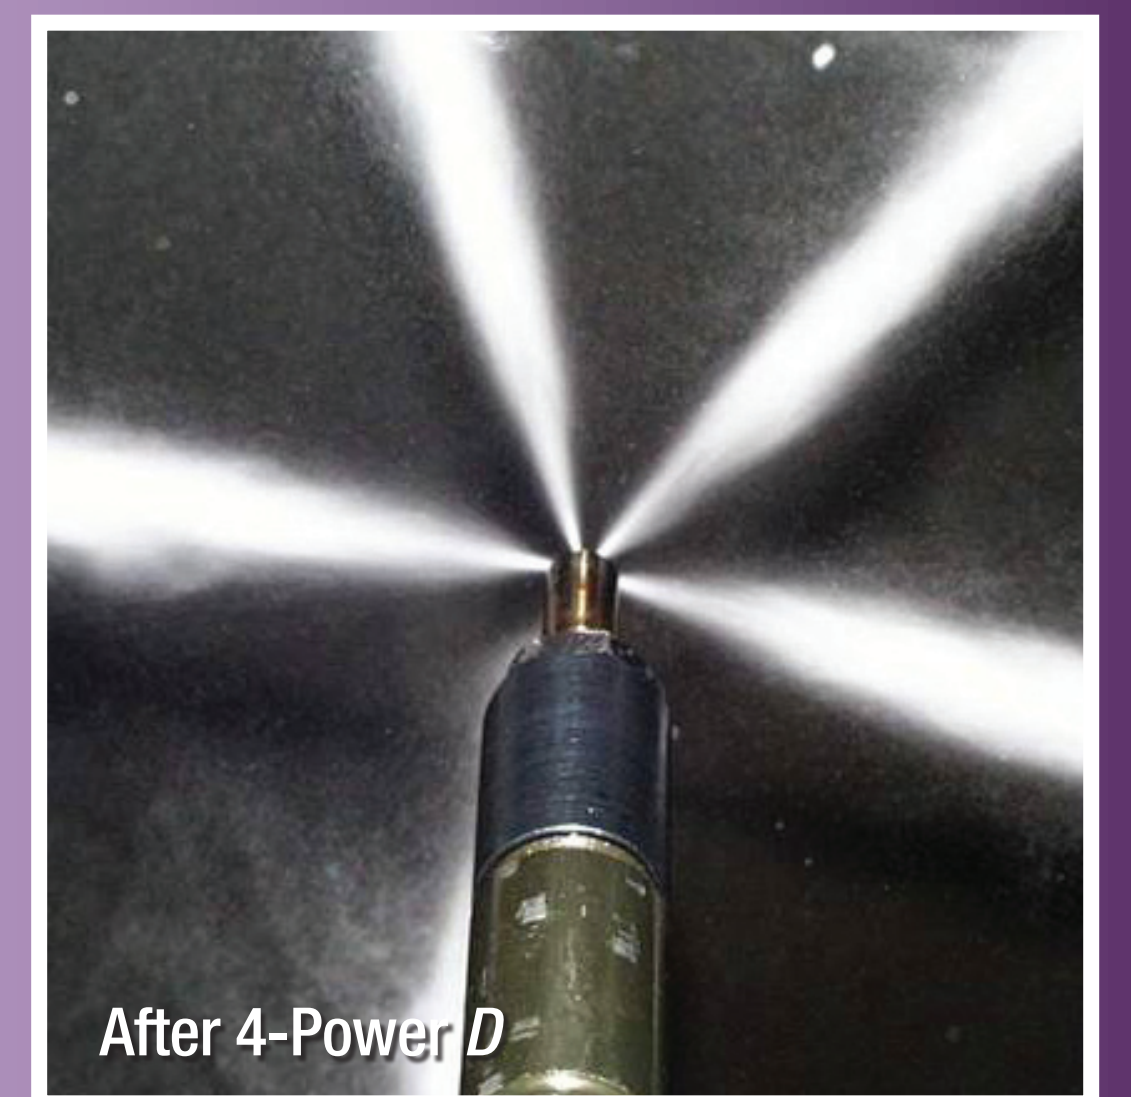

Dirty Valve Before 4-Power G

After 4-Power G

Fouled Injector Before 4-Power D

After 4-Power D

- Restores performance, efficiency and mileage by cleaning away deposits and corrosion throughout the entire fuel system
- Inhibits corrosion while providing easier cold weather starts
- Helps prevent fuel line freeze-ups
